The History of the Perfect Pig

The Perfect Pig came about after two people were searching for a place to eat Real Old-fashioned Pit Bar-B-Que. We found that Old-fashioned Open Pit Bar-B-Que had been replaced with today's modern oven-style methods of cooking and not Bar-B-Queing the way it used to be.

We soon decided to leave the companies we were working for and to continue the tradition of Real Old-fashioned

Pit Bar-B-Que. After months of cooking, lots of advice and the help of Bill's famous Bar-B-Que sauce, we felt we had come up with the PERFECT PIG BAR-B-QUE.

Today we continue with the same idea of quality food on all our menu items. We make sure our Seasoned Home Cooked Vegetables, Charbroiled Burgers, Chickens and Steaks are always cooked to perfection and just the way you like them.

Although a few things have changed, we are one of only a few places that still believes in carrying on the tradition of cooking Bar-B-Que, the way we feel it should be. We hope you'll agree!

We welcome suggestions and always appreciate your business.
